Give ReelLIFE SCIENCE the Thumbs-Up!

ReelLIFE SCIENCE is a science video competition for Community Groups, Youth Groups, Clubs and Primary and Secondary schools based in Ireland.

Participants are challenged to make an entertaining and engaging 3 min video, to be in with a chance to win €1000 for their group or school!

If you want to discover more about Science & Technology, while having fun developing your digital and communication skills, check out our website for more details.

Competition topics include: *Science and Me, Design Your Future, How Things Work and The Power of Science*

Closing date: Fri Oct 13th

Winning videos will be screened at the Galway Science and Technology Festival on Sun Nov 26th

Since 2013:

- 7000 participants in 26 counties made 600 videos
- €10,000 awarded in prizes
- 100,000 views worldwide
- Videos have been featured on RTÉ & TG4 and screened during Irish and British Science Week events
